

Cookie policy

This document is drafted by the Data Controller (hereinafter "Controller"), acting as the data controller of personal data resulting from browsing on the present website (hereinafter "Site").

The Controller intends to inform the user that the Site uses technical Cookies to help you to guarantee an optimal browsing experience. The present policy on cookies (hereinafter "Cookies Policy"), which must be read to supplement the information provided in the Privacy Policy, is used to describe the types of cookies and other technologies used on the Site, as well as the reasons and conditions of use of cookies. We inform you that some cookies are necessary to ensure the correct navigation of the Site, and by continuing to browse you are consenting to the use of these cookies.

The User can however avoid the installation of cookies by configuring the settings of his browser or disabling the use of the sites through the browser directly, as specified in detail below.

Usò dei cookie

The "Website" uses cookies to make our services simple and efficient for users who view the pages of livingwithnets.it. Users who view the Site will see that a minimum amount of information will be inserted in the devices in use, either computers or mobile devices, in small text files called "cookies", saved in the directories used by the user's web browser. There are various types of cookies, some of them to make the use of the Site more effective, others to enable certain features.

Analyzing them in detail, our cookies allow user to:

- memorize the inserted preferences;
- avoid re-entering the same information several times during the visit, such as user name and password;
- analyze the use of the services and content provided by livingwithnets.it to optimize the browsing experience and the services offered.

Types of cookies

Technical cookies

This type of cookie allows the proper functioning of certain sections of the Site. They are divided into two categories: persistent and session:

- persistent: once the browser is closed they are not destroyed but remain up to a preset expiration date
- session: they are destroyed every time the browser is closed

These cookies, always sent from our domain, are necessary to view the Site correctly and in relation to the technical services offered, and will therefore always be used and sent, unless the user does not change the settings in his browser (thus disrupting the display of certain pages of the Site).

Analytical cookies

Cookies in this category are used to collect information on the use of the Site. Livingwithnets.it will use this information with respect to anonymous statistical analysis in order to improve the use of the Site and to make the content more interesting and relevant to the wishes of users. This type of cookie collects anonymous data on the activity of users and on how it arrived on the Site. Analytical cookies are sent from the site itself or from third-party domains.

Analysis cookies for third-party services

These cookies are used in order to collect information on the use of the Site by users anonymously such as: pages visited, time spent, origins of Internet traffic, geographic origin, age, gender and interests for the purpose of marketing campaigns . These cookies are sent from third-party domains which are external to the Site.

Cookies to integrate products and functions of third-party software

This type of cookie integrates features developed by third parties within the pages of the Site, such as icons and preferences expressed on social networks, in order to share site content or for the use of third-party software services (such as a software for generating maps and additional software that offer additional services). These cookies are sent from third-party domains and from partner sites that offer their functionality between the pages of the Site.

Profiling cookies

These cookies are necessary to create user profiles, with the aim of sending advertising messages in line with the preferences expressed by the user within the pages of the Site.

Livingwithnets.it, according to current legislation, is not required to seek consent for cookies and technical analytics, since they are necessary to provide the required services.

For all other types of cookies, consent may be expressed by the User with one or more of the following methods:

- By specific configurations of the used browser or the related computer programs used to navigate the pages that make up the Website.
- By changing settings in the use of third-party services

Both of these solutions may prevent the user from using or viewing parts of the Website.

Web sites and third-party services

The Site may contain links to other Web sites which have their own privacy policy, which may be different from that adopted by livingwithnets.it, and is therefore not responsible for those sites.

List of cookies

The Site does not use profiling cookies but uses only technical and session cookies.
